The assessors shall make, on the books furnished under section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided for herein. The list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 45, AS AMENDED by Chapter 14, Acts of 1928. SECTION 84. If the assessors of a town ascertain that the aggregate valuation thereof has been diminished since April first of the preceding year, they shall return with the table of aggregates, or with the books, which they are required by sections forty-seven, forty-eight and forty-nine to deposit in the office of the commissioner, a statement, on oath, of the causes which in their opinion have produced such diminution.
